

SPELLBOUND THEATRE'S

Babywild

A Big Adventure for Little Explorers

Touch, feel, and move with the story

What does the world look like through the eyes of a baby?

In this playful performance, a miniature home is transformed into a magical world of surprising discoveries. Babies and toddlers, touch, climb, and explore along with the performers and puppet who bring this gentle story to life.

AGE RANGE

Babywild was developed especially for children 6-18 months old

TIME

Run time of 40 minutes

SEATING AND SPACE

Created for a studio/flex space to seat 12-18 children and their caregivers (40 total) in the round.

"So many fun and innovative activities for little babies to play with."

"My child loved it! She was mesmerized by the actors and their props."

Babywild is a non-verbal performance perfect for pre-verbal children and multi-lingual audiences.

Integrating puppetry, physical theater, visual storytelling, and interactive sensory exploration just for infants and toddlers.
